

ALUMNI MEET

The Department of Statistics of Salipur Autonomous College organized a warm and engaging **Alumni Meet** on 22/11/2025 at 3.P.M to reconnect with the former students and strengthen the bond between the alumni and the department. A total of **18 alumni** participated in the gathering with great enthusiasm, reminiscing their college days and sharing their experiences and achievements.

The program commenced with a welcome address by **Mr. Karunakar Muduli**, HOD, who expressed his heartfelt joy in meeting the alumni and appreciated their continued connection with the department. He highlighted the growth of the department over the years and emphasized the importance of alumni contributions in shaping the future of students.

Dr. Sitanshu Shekhar Mishra, Lecturer in Statistics interacted with the alumni and encouraged them to share their academic and professional journeys. He also discussed various academic reforms and activities introduced in the department recently.

Miss Tapaswini Mohapatra, Lecturer in Statistics coordinated the session and facilitated the interaction between current faculty members and the alumni. She also invited suggestions from alumni on how they could contribute to the academic and career development of present students.

The **alumni** shared their fond memories, achievements in various fields, and offered valuable suggestions for the progress of the department. Many expressed their willingness to support current students through mentorship programs, career guidance, and internships.

The Alumni Meet was a memorable occasion that strengthened the relationship between past and present members of the department and laid the foundation for greater alumni involvement in the future.
