

Autonomy Seminar

Department of Commerce

The Autonomy Seminar on the topic “The Road To Financial Freedom: Understanding The Core Principles Of Investing” was organised on 28th January, 2025 by the Department of Commerce. Prof. (Dr.) Sangita Misra, presided over the meeting. All dignitaries were requested to light the lamp as it symbolises the triumph of wisdom over ignorance and new beginnings. Flower bouquet was offered by our students to the resource person and the principal, HOD, administrative bursar, academic bursar of the college. The seminar was witnessed by one resource person, faculties, and students of department of commerce. The principal welcomed all the dignitaries and members present in the inaugural session. Resource person was felicitated by the principal. Mrs. Monalisa Mishra – HOD, Commerce gave introduction of the resource person and briefed the importance of the seminar.

Our resource person, Dr. Bhabani Sankar Rout shared deep insights and knowledge by emphasizing the importance of investment. Investing can be an effective way to put one’s money to work and potentially build wealth. He also focused on some important points viz rich vs. wealth, what is finance, the concepts of risk, how to invest pocket money, invest in mutual fund, shares, where a student can invest, stock and forex trading, difference between trading and investment. He gave valuable guidance and thought-provoking advices to the audience particularly students.

Following this speech, there was a wonderful interactive session where the students interacted with the resource person, clarifying their doubts and asking interesting questions. The seminar session ended with a vote of thanks given by Mrs. Suvasmita Barik, Lecturer in commerce
