

OUTREACH PROGRAMME

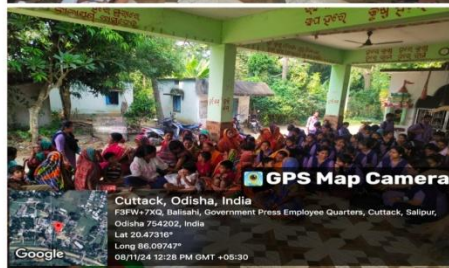

Department of Philosophy of Salipur Autonomous College, Salipur organized an Outreach Program on 08.11.2024 at Rodhapur-Bateswar Village Mangala Temple Premises regarding “Preserving our traditions and culture”.

For this outreach program, the staffs of the department went to the village a day before the program and fix the date on 08.11.2024. In this program around 50 no of villagers attended and discussed with the staffs and students of the department regarding our culture and tradition of society. Now-a-days with the development of science and technology new generation boys and girls are not conscious of their traditions and cultures. Dr. Manisha Tripathy, Head of the Department addressed villagers about the preservation of traditions and culture as **an act to preserve, protect, and maintain cultural beliefs, practices, values, and customs of a specific society, community, or region.** Mr Bedabyas Bhanja, Lecturer in Philosophy addressed the villagers with short stories having cultural values. Mrs Sahenaz Parween, faculty of the Department gave emphasis on the role of parents in preserving tradition and culture.

At last there was a interaction session of villagers with the students and staffs of the Department.
