

REPORT ON STUDY TOUR DEPARTMENT OF ODIA

DT. 19.12.25

On 19.12.25, as part of the study tour, the students visited Kapilash and Joranda, two important cultural and spiritual centres of Odisha. At Joranda, the students had a valuable and enriching learning session with the Alekh Mahima monks. The monks elaborated on the philosophy of Alekh Mahima, emphasizing principles such as simplicity, truth, self-discipline, spiritual awakening, and service to humanity.

The interaction provided deep insight into the socio-religious reform movement initiated by Mahima Dharma and its impact on Odishan society and culture. The visit to Kapilash further added to the academic value of the tour by familiarising students with its historical and religious importance. Overall, the study tour offered a meaningful blend of learning, cultural exposure, and spiritual reflection, making the experience both educational and inspiring.
