

## **A SICKLE CELL AWARENESS PROGRAM- 2024-2025**

A Sickle Cell Awareness Program was held on 19th June 2024 at Salipur Autonomous College campus. The program was organized with the objective of spreading awareness among students and staff about sickle cell disease, its causes, symptoms, and preventive measures.

Around 50 students actively participated in the event along with all the officers and teachers of the college. The program included informative sessions, awareness talks, and interactive discussions that highlighted the importance of early diagnosis and care.

The event concluded successfully with the participants taking a pledge to spread awareness in the community and contribute towards eradicating ignorance about this disease.
