

ORIENTATION PROGRAMME

An Orientation Programme on the National Service Scheme (NSS) was organized on 25th September 2024 in the college campus. Both students and staff members actively participated in the programme.

An eminent speaker was invited to address the gathering and highlighted the aims and objectives of NSS, focusing on community service, personality development, and social responsibility. The students were encouraged to take part in various NSS activities and contribute to nation-building through voluntary service.

The NSS orientation program, led by Chief Speaker Mr. Madhusudan Das, focused on motivating students about discipline and personal growth. His insights inspired attendees to embrace valuable life lessons.
