

PLANTATION PROGRAMME

Dt: 16th & 17th September, 2025

A Plantation Programme was successfully organized on the 16th September and 17th September 2025 at Salipur Autonomous College. The event witnessed enthusiastic participation from students, staff, and various community members, making it a grand success.

As part of the programme, more than 1000 trees were planted in and around the college campus, contributing significantly to the cause of environmental conservation. All the officers along with their volunteers from different wings such as YRC, NSS, NCC, Rangers & Rovers actively took part in the plantation drive. More than 200 students participated in the programme.

The presence of our respected Principal, Dr. Sangita Meena, inspired everyone to make the initiative impactful and sustainable.

The programme concluded on a positive and hopeful note with a collective pledge to protect and nurture the environment for future generations.
